SANTAFJA JEWELLERS – is a young but experienced entity with a team of hardworking, highly skilled and committed employees.

- We believe in innovation and customer satisfaction
- Our designs are tailor-made to what the customer wants, and
- The customer budget is considered.
- Whatever material the customer wants, be it gold(white or yellow), platinum – we comply
- And whether the customer wants diamonds or gems – we provide
- We deal in “REAL” gold, platinum, diamonds and coloured Gemstones
- For all diamonds of 0.30 points and above, a certificate proving the authenticity of the diamond is given to the customer
- We offer maintenance plans (guarantees included) for the items purchased and referral bonuses to thank our referrers.
